

Aurora Real Estate Equity Fund

About

Solara Holdings is a vertically integrated real estate firm and the sponsor of the **Aurora Real Estate Equity Fund**. Leveraging over thirty years of experience, our core mission is simple: to **protect investor capital** from market volatility* while delivering superior, tax-efficient, and risk-adjusted returns utilizing our **Four-Pillar Risk Mitigation Framework**.

* Solara Holdings White Paper- *The Volatility Paradox: The Case for a Hybrid Private Real Estate Investment Strategy Beyond The 60/40 Mix.*

Experience

Proven business model through two major real estate and economic market corrections.

With over \$80M in AUM and 30+ years in the rental real estate space. The **valuation reset** we are currently seeing in Class A real estate offers a strategic entry point to acquire institutional-quality assets at stabilized bases while public markets appear overextended.
